PRO Concentrate Herbicide

An Entire Team of Solutions

For more than 40 years, Roundup® brand products have built a reputation for providing dependable solutions to weed control problems. Its family of Industrial, Turf, and Ornamental herbicides provides consistent quality and performance in professional management situations such as roadsides, railroad rights of way, turf management, and landscaping.

Roundup PROMAX Herbicide

The latest generation in the evolution of high-performing Roundup® brand products.

Concentrated Formula

Roundup PROMAX herbicide is a potassium salt formulation — one gallon of Roundup PROMAX herbicide contains the glyphosate acid equivalent of 6 quarts of Roundup PRO herbicide

Consistent Performance

Roundup PROMAX herbicide controls a broad spectrum of weeds

30-Minute Rainfast Warranty

The unique surfactant system of Roundup PROMAX herbicide allows the solution to penetrate weed leaf surfaces faster, which means Roundup PROMAX herbicide is rainfast in half the time of its predecessor, Roundup PRO herbicide
