

Densicor®

Densicor Introductory Offer

Fight the Top Five Turf Diseases and Get
a FREE Premium Multi-tool***

Densicor® is a powerful new DMI fungicide that provides next-level control of dollar spot, brown patch, anthracnose, gray leaf spot and snow mold without thinning your turf. From now until September 30 or while supplies last, purchase four or more bottles of Densicor and receive a free premium multi-tool.**

Raise the Bar for Disease Control

In addition to being a one-product solution for problematic turf diseases, Densicor also features a variety of other benefits for your course:

- // **Controls the Top Five Turf Diseases*:** Strong control of dollar spot, brown patch, anthracnose, gray leaf spot and snow mold.
- // **Turf Safety:** Can be used on greens, fairways and tees in both cool and warm season turf without thinning your turf.
- // **Ultra-Low Use Rate:** Single use rate of 8.5 fl oz/acre.
- // **Convenient Packaging:** Each bottle treats six acres, making it easy to determine how much you need.
- // **Affordable:** Priced for fairways but also offers excellent efficacy and turf safety on greens and tees.
- // **Additional Disease Control:** Beyond the top five turf diseases, Densicor offers broad-spectrum control of many other diseases, including warm season diseases like fairy ring, mini-ring and take all root rot.

To learn more about how Densicor can help protect your course against the top five most problematic turf diseases and how you can get a free premium multitool, contact your local Bayer sales rep or visit: es.Bayer.us/Densicor.
